

Week 4 - w/c 25th Jan - KS1 Level SEN pack

Monday 25 th January	
30 mins	<p>Get active / wake up shake up</p> <p>Over the next two weeks complete the "feeling active" challenge. Record your scores each day! Can you improve or equal your score each day?</p>
10 mins	<p>Handwriting</p> <p>Practice your cursive handwriting using the sheet starting with 'van.' These are useful words to be able to spell. Can you test yourself on spelling a few of them?</p>
40 mins	<p>Maths</p> <p><u>Arithmetic-Multiplication Wheels</u> Today your task is slightly different! Take the number in the centre of the wheel and work out what number it needs to be multiplied by to give you the answers written in the outer circle.</p> <p>WALT: Can I use the x symbol for multiplication?</p> <p>Watch and follow along the video below, pause it as you go along and answer any questions that pop up orally. We will be using different worksheets so do what you can from the video then try the questions on here. Multiplication using the x symbol</p> <p>https://whiterosemaths.com/homelearning/year-2/week-1-number-multiplication-and-division/</p> <p>Now have a go at the questions on your sheet.</p>
Break	
20 mins	<p>Writing Time</p> <p>Look at the sheet called 'A sentence a day writing sheet.' Complete a sentence for each picture. You can use the words in the word bank at the top of the page to help you. Remember to use capital letters and full stops.</p>
30 mins	<p>Literacy</p> <p>https://www.literacysshed.com/lune-et-lautre.html</p> <p>Watch the short film on the link about. It is called 'Lune et Autre' which means 'The moon and the other.' In the film a young girl is filling her bucket from a well at night time. The moon is in the sky and turns out to be a gentle giant creature. Your task today is to write a paragraph to describe the beautiful night time setting. Write your paragraph into your book. Try to imagine yourself in the setting and describe what you can see, touch and hear. You might like to include description of the stars, the well, the moon. As well as the sounds of night time and how it feels to be outside late at night by yourself.</p>
Lunch	
15 mins	<p>Reading</p> <p>Read the book in your book bag, or any other book or magazine that you like. Read for at least 15 minutes. If possible, ask an adult or older brother or sister to listen to you. Remember to get your Reading Superstar sheet signed.</p>
15 mins	<p>Wellbeing</p> <p>Write a letter to someone you love telling them why you think that they are great. Use the vocabulary to help you. You may want to write a letter to more than one person. If you do not want to write a letter maybe you could draw reasons why they are great.</p>
30 mins	<p>Non-Core (History)</p> <p>If you need to refresh yourself, look through the PowerPoint about Queen Elizabeth again. In your last History session, you worked on a timeline of Queen Elizabeth's life. Today you are going to create a time line of your own life. Use the timeline sheet in your pack and add all the important events in your life. Here are some events that you might like to include:</p> <ul style="list-style-type: none"> • When you were born • When you started school • A special holiday • A special birthday • Younger brothers or sisters being born • Moving house <p>There are many more events that you could include. You can write and draw pictures to fill in your timeline.</p>
Break	

10 mins	<p style="text-align: center;">Gratefulness</p> <p>Using the tree template provided or the one you had made. Add the new leaf explaining what you are thankful or grateful for. You may want to decorate your tree using colour as well! You could be grateful for almost anything, the weather, your family, a kind action from someone, a meal or even an activity you have done throughout the day.</p>
15 mins	<p style="text-align: center;">Storytime</p> <p>Listen to a story. An adult could read you a story or you can listen to one online.</p>

Every day

Cut out this chart and put it on your wall.

Tick off when you have completed any of these exercises.

20 JUMPING JACKS
30 ARM CIRCLES
8 SQUATS
10 CALF RAISES
10 LUNGES

MONDAY

TUESDAY

WEDNESDAY

THURSDAY

FRIDAY

SATURDAY

SUNDAY

FEELING ACTIVE

20 JUMPING JACKS

Stand tall with your feet together and your hands at your sides. Quickly raise your arms above your head while jumping your feet out to the sides. Then immediately bring your arms back down to your sides and jump so your feet are together again.

Exercise can help make you feel better. Try doing one of these exercises every day.

30 ARM CIRCLES

Stand up straight with your arms stretched out on either side of your body. Slowly move your arms in circles without rotating your wrists or elbows.

8 SQUATS

Stand with your feet hip-width apart, hands on your hips, and slowly sit down, bending at your knees and feet. Make sure your back is straight and sink as low as possible without letting your knees go past the ends of your feet. Then slowly rise feet to standing position.

10 CALF RAISES

With your feet spread hip-width apart, place your hands on your hips and lift your heels off the ground. Standing on tip toe count to eight, slowly lower back down, then return your feet to the floor.

10 LUNGES

Take a step forward and bend so that your back knee touches the floor. Make sure your front knee doesn't bend past your toes.

3.

6.

WALT: Can I use the x symbol for multiplication?

1. Complete the calculations.

<p>1 ladybird has 2 spots.</p> 	2	$1 \times 2 = 2$
<p>How many spots do 2 ladybirds have?</p> 	$2 + 2 =$	$2 \times 2 =$
<p>How many spots do 3 ladybirds have?</p> 	$2 + 2 + 2 =$	
<p>How many spots do 4 ladybirds have?</p> 	$_ + _ + _ + _ =$	$4 \times 2 =$
<p>How many spots do 5 ladybirds have?</p> 		$5 \times 2 =$
<p>1 flower has 5 petals.</p> 	5	
<p>How many petals do 2 flowers have?</p> 	$5 + 5 =$	$2 \times 5 =$
<p>How many petals do 3 flowers have?</p> 	$_ + _ + _ = _$	$3 \times 5 =$
<p>How many petals do 4 flowers have?</p> 		$4 \times 5 =$
<p>How many petals do 5 flowers have?</p> 		

mon 25th

WRITE A LETTER TO SOMEONE YOU LOVE,
TELLING THEM WHY THEY ARE GREAT.

Here are some description words to help you write the letter:

THOUGHTFUL **chatty**
caring **interesting**
helpful
KIND *give good hugs*
make me laugh *FORGIVING*
INTERESTED **funny**
good at listening loving
FUN **inspiring**

A large, blank, lined writing area for the letter, consisting of approximately 15 horizontal lines. The lines are evenly spaced and extend across the width of the page. The writing area is framed by a simple black border.

Every day

Apple Tree Template

Timeline of My Life

Name: Date:

On the timeline, mark on any events that you feel have been important in your life.
Use writing and pictures.

Birth _____ Now

Mon 25th

Tuesday 26th January

30 mins	<p>Get active / wake up shake up</p> <p>Over the next two weeks complete the "feeling active" challenge. Record your scores each day! Can you improve or equal your score each day?</p>
10 mins	<p>Handwriting</p> <p>Practice your cursive handwriting using the sheet starting with 'rain.' These are useful words to be able to spell. Can you test yourself on spelling a few of them?</p>
40 mins	<p>Maths</p> <p><u>Arithmetic-Multiplication Wheels</u> Today your task is slightly different! Take the number in the centre of the wheel and work out what number it needs to be multiplied by to give you the answers written in the outer circle.</p> <p>WALT: Can I use the x symbol for multiplication?</p> <p>Today we will carry on practising multiplication using the x symbol. Have a go at your sheet.</p>
Break	
20 mins	<p>Writing Time</p> <p>Find the sheet with the title 'What can you see in the Pirate Scene?' Write as many sentences as you can about what you can see in the picture. Remember to use capital letters and full stops.</p>
30 mins	<p>Literacy</p> <p>https://www.literacyshed.com/lune-et-lautre.html</p> <p>Watch the film to remind yourself of what happens in it. Pay close attention to the giant. Your task today is to write a description of the giant. Describe how he looks, including his size and colour. Describe how he moves and what type of personality he has.</p>
Lunch	
15 mins	<p>Reading</p> <p>In your homework book, draw a picture of a character from your school reading book. Make it as detailed as possible. Can you write some words around them to describe what their personality is like? For example, if I was to draw Goldilocks, I would write - curious, naughty, greedy.</p>
15 mins	<p>Wellbeing</p> <p>Complete the 'Empty your mind' sheet in your pack.</p>
30 mins	<p>Non-Core (PSHE)</p> <p>Today you are going to work on a character muscles.</p> <p>You are going to look at the character muscle 'good humour'. Find as many jokes as possible that you can find. Tell them to your family! You could even tell them to any family you speak to on the phone. Have a go at making your own jokes up. You could create a joke book!</p>
Break	
10 mins	<p>Gratefulness</p> <p>Using the tree template provided or the one you had made. Add the new leaf explaining what you are thankful or grateful for. You may want to decorate your tree using colour as well! You could be grateful for almost anything, the weather, your family, a kind action from someone, a meal or even an activity you have done throughout the day.</p>
15 mins	<p>Storytime</p> <p>Listen to a story. An adult could read you a story or you can listen to one online.</p>

Multiplication Wheels

1.

4.

2.

5.

3.

6.

WALT: Can I use the x symbol for multiplication?

1. Complete the sentences and tables.

Complete the sentences to describe the equal groups.

___ + ___ + ___ = 18
 ___ × ___ = 18

There are ___ equal groups with ___ in each group.

There are three ___.

Complete:

Three 2s	Draw It	Addition	Multiplication
There are 3 equal groups with 2 in each group.			

Complete:

Addition	Multiplication	Story
10 + 10 + 10		
	6 × 5	

2. Use the number shapes to finish the calculations.

For each set of number shapes, write repeated addition statements and the matching multiplication statements.

For example:

$3 \times 2 = 6$
 $2 + 2 + 2 = 6$

$\square \times \square = \square$
 $\square + \square + \square + \square + \square + \square = \square$

$\square \times \square = \square$
 $\square + \square + \square + \square + \square + \square = \square$

$\square \times \square = \square$
 $\square + \square + \square + \square + \square = \square$

Reasoning and problem solving

1.

$$3 + 3 + 3 = 3 \times 3$$

Is Mo correct? Explain why.

Draw an image to help you.

Tues 26th

What Can You See in the Pirate Scene?

Write some sentences about the picture.

Example: The ship is at sea.

Tues 26th

EMPTY YOUR MIND

When your mind is empty think about your five senses - touch, taste, sight, hearing and smell

Empty your mind completely by focusing on this spot

Fill in the sentences below for each sense

I smell...

I hear...

I feel...

I see...

I taste...

COLOUR THESE IN

Wednesday 27th January

30 mins	<p>Get active / wake up shake up</p> <p>Over the next two weeks complete the "feeling active" challenge. Record your scores each day! Can you improve or equal your score each day?</p>
10 mins	<p>Handwriting</p> <p>Practice your cursive handwriting using the sheet starting with 'play.' These are useful words to be able to spell. Can you test yourself on spelling a few of them?</p>
40 mins	<p>Maths</p> <p>Arithmetic-<u>Number bonds to 20</u>. Your task is to work out the number that needs to be added to the number in the bottom box to make the total of 20 in the top box.</p> <p>WALT: Can I use pictures for multiplication sentences?</p> <p>Watch and follow along the video below, pause it as you go along and answer any questions that pop up orally. We will be using different worksheets so do what you can from the video then try the questions on here. Multiplication sentences using pictures</p> <p>https://whiterosemaths.com/homelearning/year-2/week-1-number-multiplication-and-division/</p> <p>Now have a go at the questions on your sheet.</p>
<p>Break</p>	
20 mins	<p>Writing Time</p> <p>Find the sheet with the title 'What can you see under the sea?' Write as many sentences as you can about what you can see in the picture. Remember to use capital letters and full stops.</p>
30 mins	<p>Literacy</p> <p>https://www.literacyshed.com/lune-et-lautre.html</p> <p>Today you are still working on the same short film, watch it again if you need a refresher. Today your task is to write some dialogue between the girl and the giant. Remember that when characters speak you need to put inverted commas around it. Here is an example:</p> <p style="text-align: center;">"Wow, who are you?" said the little girl.</p> <p style="text-align: center;">"I am the moon man," said the giant.</p>
<p>Lunch</p>	
15 mins	<p>Reading</p> <p>Read the book in your book bag, or any other book or magazine that you like. Read for at least 15 minutes. If possible, ask an adult or older brother or sister to listen to you. Remember to get your Reading Superstar sheet signed.</p>
15 mins	<p>Wellbeing</p> <p>Complete the happy jar sheet in your pack. If you have any empty jars at home, you may wish to make your own happy jar so that you can continue this!</p>
30 mins	<p>Non-Core (PE)</p> <p>Create your own workout session!</p> <p>Pick your three favourite exercises. Create a workout session for you and your family to complete. You could even do this session with music! Pick your favourite song and complete your exercise routine to it. Remember, your heart rate should increase when you are exercising.</p>
<p>Break</p>	
10 mins	<p>Gratefulness</p> <p>Using the tree template provided or the one you had made. Add the new leaf explaining what you are thankful or grateful for. You may want to decorate your tree using colour as well! You could be grateful for almost anything, the weather, your family, a kind action from someone, a meal or even an activity you have done throughout the day.</p>
15 mins	<p>Storytime</p> <p>Listen to a story. An adult could read you a story or you can listen to one online.</p>

Number Bonds to 20

Use known number facts to fill in the missing numbers on these bar models.

WALT: Can I use pictures for multiplication sentences?

1. Complete the calculations and the table.

Complete:

___ x ___ = ___

___ lots of 3 = ___

___ multiplied by ___ = 12

Complete:

4 lots of 3

= 1 x ___

Complete the table.

Picture	Multiplication	Sentence
	$4 \times 10 = 40$	4 lots of 10 is equal to 40
	$35 = 7 \times 5$	

Reasoning and problem solving

1.

There are four baskets.

There are three dolls in each basket.

How many dolls are there altogether?

Draw an image and write a calculation to represent the problem.

2.

2×5
 $5 + 5$
 5×2

Each calculation could explain the image.

Explain why.

What Can You See Under the Sea?

Write some sentences about the picture.

Example: The fish can swim.

Weds 27h

What Can You See Under the Sea?

Write some sentences about the picture.

THE HAPPY JAR

You can fill the jar with words, sentences, drawings, or a mixture of all three.

Fill this jar with happiness by writing or drawing in happy thoughts and pictures.

Weds 27th

ALL ABOUT ME!

Write a list of things you like about yourself.

Choose anything - your characteristics, your personality or what you are good at.

Thursday 28 th January	
30 mins	<p>Get active / wake up shake up</p> <p>Over the next two weeks complete the "feeling active" challenge. Record your scores each day! Can you improve or equal your score each day?</p>
10 mins	<p>Handwriting</p> <p>Practice your cursive handwriting using the sheet starting with 'goal.' These are useful words to be able to spell. Can you test yourself on spelling a few of them?</p>
40 mins	<p>Maths</p> <p>Arithmetic-<u>Number bonds to 20</u> Your task is to work out the number that needs to be added to the number in the bottom box to make the total of 20 in the top box.</p> <p>WALT: Can I use arrays for multiplication?</p> <p>Watch and follow along the video below, pause it as you go along and answer any questions that pop up orally. We will be using different worksheets so do what you can from the video then try the questions on here.</p> <p>Using arrays</p> <p>https://whiterosemaths.com/homelearning/year-2/spring-week-2-number-multiplication-and-division/</p> <p>Complete the questions on your sheet.</p>
Break	
20 mins	<p>Writing Time</p> <p>Look at the sheet titled 'What happens next?' Look the comic strip, what do you think would happen next? Write a short story to describe what happens next. Perhaps you could include something unexpected? Those seagulls look hungry in the last picture....</p>
30 mins	<p>Literacy</p> <p>https://www.literacyshed.com/lune-et-lautre.html</p> <p>Over the next two days, your task is to plan and write your own different ending to the story in the film. In your ending the giant is going to take the little girl on a mini adventure. You can use the story mountain planning sheet in your pack to help you. Perhaps the giant could take her flying in the night sky, maybe they will come across some other night time creatures. Or maybe the girl and the giant dive into the well and have an underwater or underground adventure. Be as creative as you can.</p>
Lunch	
15 mins	<p>Reading</p> <p>Look at the book in your book bag. Where is the story set? In your homework book, draw a picture of the setting, try to include as much detail as possible. Can you write some words around your picture to describe it? For example, if my book was Little Red Riding Hood, I would draw the woods and write words like; dark, mysterious, dangerous.</p>
15 mins	<p>Wellbeing</p> <p>Complete the 'chuckle box' sheet in your pack.</p>
30 mins	<p>Non-Core (Geography)</p> <p>Use BBC bitesize: https://www.bbc.co.uk/bitesize/articles/zw7qsk7</p> <p>You will be learning the 7 continents. There are lots of different videos and quizzes that you can do! There is also a sheet in your pack for you to label the continents if you cannot access the internet.</p>
Break	
10 mins	<p>Gratefulness</p> <p>Using the tree template provided or the one you had made. Add the new leaf explaining what you are thankful or grateful for. You may want to decorate your tree using colour as well! You could be grateful for almost anything, the weather, your family, a kind action from someone, a meal or even an activity you have done throughout the day.</p>
15 mins	<p>Storytime</p> <p>Listen to a story. An adult could read you a story or you can listen to one online.</p>

WALT: Can I use arrays for multiplication?

Let's recap how we can use arrays.

This array can represent:

2 groups of 5

or

5 groups of 2

1. Complete the calculations.

On the image, find 2×5 and 5×2

Can you represent this array using another object?

Complete the number sentences to describe the arrays.

Draw an array to show:

$4 \times 5 = 5 \times 4$

3 lots of 10 = 10 lots of 3

Reasoning and problem solving

1.

There are four baskets.

There are three dolls in each basket.

How many dolls are there altogether?

Draw an image and write a calculation to represent the problem.

2.

$$\begin{array}{l} 2 \times 5 \\ 5 + 5 \\ 5 \times 2 \end{array}$$

Each calculation could explain the image.

Explain why.

Number Bonds to 20

Use known number facts to fill in the missing numbers on these bar models.

WALT: Can I use arrays for multiplication?

1. Can you draw arrays and write calculations for these pictures? I will do the first one to show you.

array

3 groups of 5
 $3 \times 5 = 15$

calculation

Your turn.

2. Match the arrays and the context (explanation) and answer the questions.

<p>There are 10 children in my drumming club. I want to give each of them 3 sweets. How many sweets do I need to buy?</p>
<p>I can see some houses. Each house has 2 chimneys and I count 24 chimneys. How many houses are there?</p>
<p>I give each of my dogs 5 bones. I have 3 dogs. How many bones do I need to buy?</p>

Pretend that you are on holiday in one of these places. Write a postcard to a friend telling them all about your trip. You might want to think about your five senses. What can you see, hear, smell, touch and taste? What have you done on your trip so far?

Handwriting lines for writing the postcard message.
