

## SVPS's Eco Code

Let's put out a call,  
Save the Earth with Eco Schools!  
Help make the world a better place,  
Listen to us whilst we state our case!  
Let's look under our feet,  
Is there litter on the street?  
Pollination, Pollination  
Can we plant to save the nation?  
Fairtrade colours **blue**, **black** and **green**,  
Make sure the Fairtrade logo is always  
seen!  
Switch off to save money,  
It's not a joke, it isn't funny!  
The time is now. The future is in your  
hands,  
So let's start making plans!
