Dear Parents and Carers,

### **Sponsored Bike Ride – Foundation Stage Fundraiser!**

We are excited to let you know that we will be holding a **Sponsored Bike Ride** for all children in the Foundation Stage to help raise money for new outdoor wheeled toys such as bikes, scooters, and trikes.

The event will take place in the school playground on Wednesday October 15th during the morning. Each child will be encouraged to ride laps of a marked track on their own bike, trike or scooter. We will count the number of laps completed and children can be sponsored either per lap or with a set donation.

This is a fun and active way for the children to get involved in helping improve our outdoor learning environment. The new equipment will benefit all our Foundation Stage children, encouraging physical development, coordination and cooperative play.

Please send your child's bike, trike or scooter (and helmet if they have one) to school on the day of the event, clearly labelled with their name. If your child doesn't have a suitable wheeled toy, don't worry, we will ensure they can still take part using school equipment.

Attached is a **sponsorship form** for your child. Please return this along with any collected donations before or on **Wednesday 15th October**. All money raised will go directly towards purchasing new outdoor wheeled toys for the Foundation Stage.

Thank you for your continued support—we are really looking forward to a fun and successful event!

Warm regards,

**Mrs Toon**
