

FULL TIME NURSERY CHILDREN

Dear Parents/Carers,

The children in the full-time nursery have been invited to join parents and children from the Children's centre to attend weekly Forest Schools sessions. The session will take place on our school site every Friday morning in the wildlife area and will encompass many different outdoor learning activities and experiences including drinking hot chocolate and making toast! The session will be led by adults from The Children's Centre and Mrs Toon and adults from the school will also be accompanying the session. Children will need wellies, layers and an all in one waterproof suit as it will start to get very cold and we will be outside for most of the morning. If they haven't got a waterproof suit, lots of layers and warm clothes at the least.

Any questions please ask Mrs Toon,

Thank you! 😊
