Dear Parents/Carers,

Trips at Scraptoft Valley 2024 – 2025

As fuel and energy prices continue to increase so does the costs of coaches and admission prices to lots of venues. This year we will again be using more of our Pupil Premium funding and money from our budget to keep the cost of trips as low as possible to all parents. Each year group has a selection of trips and we will guarantee that the cost to parents will be below **£25** in total per child for all the trips this academic year.

Trips to be paid for via the School Gateway app. Payments can be made in instalments. This will appear on your app when trip letters are distributed. Final payments for trips must be made one week before the trip date.

Additional local trips, to the library for example, may be organised throughout the year but these will not incur any costs to parents.

Prior to each trip parents will be notified by letter and asked to give consent etc.
