08.04.2024

Following our launch assembly today, we are excited to let you know that we are taking part in a sponsored Colour Dash in support of Leicester Children's holidays, a charity we work in partnership with and a charity who we receive support from for some of our children.

Leicester Children's Holidays is a local children's charity who help disadvantaged children in a variety of ways, including holidays and short breaks, funding towards school trips, access to mental health support and offering out of school activities.

On **Friday 3<sup>rd</sup> May 2024 (afternoon)** our school along with 49 other schools will complete the Colour Dash, over 14,000 Leicestershire children will be taking part in this amazing event.

Students and staff will run around a set course at school whilst being showered with coloured powder, and biodegradable, eco-friendly glitter! As the theme is Sparkle and Shine! Colour powder is not harmful to people or the environment. It is made from corn starch, dyed with food-grade colouring.

On the day, children will need to **come to school** in old clothes (which will get covered in powder colour). If your child wishes they can also wear swimming goggles or sunglasses to protect their eyes – however these are not needed. **As we will be running around the field, the school gates will not open until 3.05pm on this day to ensure the safety of everyone.**

Please ask friends and family to sponsor your child for this event using the sponsorship form attached.

The QR code on the sponsorship form can be scanned to donate online through apple and google pay but still please complete the sponsorship form with the details.

Please return named sponsorship forms and any cash to school by **Thursday 2<sup>nd</sup> May** (prizes to be won!)

**If you do not want your child to join in the Colour Dash please let your child's class teacher know ASAP**

Thank you in advance for your support of this event.

Miss Craig  
Headteacher
