Girls Football Training

Dear Parents/Carers

We are excited to be taking part in a number of football matches this year. In order to prepare for this the girls Year 5 and Year 6 football team will be taking part in training sessions after school. We will be holding training sessions after school on the field on Monday 4th and Tuesday 5th March 3:10pm-4pm for the whole team.

All children must wear shin pads and trainers or moulded boots (studs are not allowed). If your child needs shin pads or does not have appropriate footwear please let Miss Coombe know as soon as possible and we will provide these. Your child will need to wear appropriate clothing as the training will take place on the field.

Yours sincerely

Miss L Craig
Headteacher

Girls Football Match - Leicester City Schools Football Association

Dear Parents/Carers

We are excited to be taking part in a number of football matches at Judgemeadow on Wednesday 6th March.

The girls Year 5 and 6 football team will be representing our school and your child has been selected to play on Wednesday 6th March. The team will leave school at 3:15pm and arrive back at school at 5:30pm.

Due to the rising costs of travel to this event, this academic year asking parents to transport their children to and from the matches where possible. This will allow us to reduce costs and allow us to continue to enter this exciting competition.

Please indicate on the letter below if your child requires a place on the school transport to and from the match.

Transport will be organised for those that are not able to make their own arrangements.

All children must wear shin pads and trainers or moulded boots (studs are not allowed). If your child needs shin pads or does not have appropriate footwear please let Miss Coombe know as soon as possible and we will provide these. We will provide a football kit for your child to wear however your child will need to bring appropriate clothing to wear whilst waiting between matches.

All matches start at 4:00pm and you are welcome to come and support us. Thank you for your support.

In addition to the Council's liability insurance the LEA recommended school journey insurance has been taken out for the activity. The school will cover the cost of the insurance.

Yours sincerely
