Trips at Scraptoft Valley 2022 – 2023

Following the disruption to our traditional trips and visits programmes in recent years, we are keen this academic to get back to normal and ensure that all children get to experience trips to a variety of places.

We are also very conscious that the cost of living rise is impacting on families across the country and indeed fuel and energy prices are increasing the costs of coaches and admission prices to lots of venues.

With this in mind at Scraptoft Valley this year we will be using more of our Pupil Premium funding and money from our budget to keep the cost of trips as low as possible to all parents. Each year group has a selection of trips and we will guarantee that the cost to parents will be approximately **£20** in total per child for all the trips this academic year.

In addition to this, to help families budget, parents can spread the cost and make payments in instalments throughout the year (the total cost of the trip will need to be paid in full before the date of the trip) or pay £20 in full for all the trips in one payment. All payments to be made via the School Gateway app.

Additional local trips, to the library for example, may be organised throughout the year but these will not incur any costs to parents.

YEAR 6

Trip	Cost per child	Final Payment date
Beaumanor Hall	£10	Already paid and been!
The Warning Zone	£10	2 nd March 2023
Total cost per child for academic year		£10 remaining to pay

Prior to each trip parents will be notified by letter and asked to give consent etc.

- Year 6 – As part of our after-SATs activities Year 6 will have additional trips (this is usually to the Outdoor Pursuits Centre), we are currently investigating different funding streams, such as contacting charities, to support us keeping the cost as low as possible. After-SATs trips will be an additional charge. We will provide more information regarding cost etc as soon as viable.

Yours Sincerely,

Miss L Criag
Headteacher
