On Monday 2<sup>nd</sup> March 2020 our NEW online payment system will launch –  
School Gateway by Schoolcomms.

A parent engagement app that will allow you to pay for school trips, school dinner  
money, swimming sessions etc, and communicate with the school.

Parents and Carers log in details will be automatically generated using the  
contact information we currently hold, therefore it is important that we have an up to date  
email address and contact number on our school system.

Please return the slip below with your child's name, your contact number and the  
email address you wish to be used to create your School Gateway account.

If you have any questions or would like some more information, please see the School  
Gateway site here: <https://schoolgateway.co.uk/>.
