

Our Community

Scraptoft Valley Primary School is a vibrant and diverse school made up of many communities. We have staff, parents and pupils who have links all over the world and have very different life experiences. We are immensely proud of the relationships we have with the communities we have links to whether local, national and global levels.

School Fete – everyone gets involved

Community Jubilee Day parents, carers and families celebrated together

Senior citizen's coffee mornings – Year 6 gain a sense of our diverse community by serving refreshments and entertain our local residents.

Red nose Day – Children throughout the school learnt about how they can make a difference to our wider world community. Children raised money to buy mosquito nets and showed they cared.

Students from Hamilton College help with a community art project

The winning olympic torch was passed around our whole school by every member of our school community.

Basic First Aid Certificates – Children learn to care and become good citizens

Geography Day – Children learnt about different things around the world

World of Work Day – Children are encouraged to have goals to aim for and achieve

Following an afternoon where members of the community came and talked to Year 6 about their faith. A group of children asked to raise money for a dormitory for children in Poland. They raised £75.

Links with universities and Colleges

- Series of maths workshops for our children run by students from Leicester University
- Partnership and teaching practice students from different universities including Northampton, Leicester and Bishop Grosseteste universities
- NVQ, BTEC students on placement from Leicester College

Pen Pals in the Benalmadena International College, Spain help children learn about children's lives in other countries

Art Day- We looked at art around the world

Eco Warriors - Children learn to care for our world

World Book Day . Our children joined with children all around the world to enjoy books.

Parent and carers Workshops – parents and children learn lots together.

Foxton Locks visit - Children learn about the wider local area where we live.

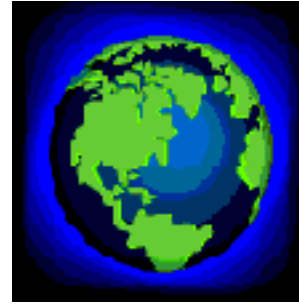

Farm Trip - Children go out into the community on trips

Big writing day linked to new building work at school

Next Year – International day

Everyone got involved when 'Aliens' crash land at Scraftoft Valley Primary School

Some of the four-year-old children described the aliens as "skinny, brown, big and strong"
"Pupils have been investigating an "alien" spacecraft which crash landed on their school field in Leicester." Read more about it on the BBC website at <http://www.bbc.co.uk/news/uk-england-leicestershire-13472655>
