As a school we welcome our duties under the Equality Act 2010. The general duties are to:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

Our objectives will detail how we will ensure equality is applied to the services listed above however where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

In fulfilling our legal obligations we will:

- Recognise and respect diversity

Addressing Prejudice Related Incidents

This school is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fair less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur we address them immediately and report them to the Local Authority using their guidance material. The Local Authority may provide some support.

Equality Objective

In line with our School Improvement Plan and Raising Attainment Plan (SIP / RAP) we will be monitoring the impact of our work with individual children, groups of children and all children.

We will use our new school assessment procedures, school tracking systems and information provided by assessment tools such as Raise on-line and Data Net

Outcome: We aim to meet the specific success criteria outlined in our School Improvement Plan and Raising Attainment Plan (SIP / RAP). We will use the information gained to address issues as they arise and narrow the gap between different individuals and groups of children.
