

# Numeracy - Day 1

## WALT: Can I find fractions of amounts?

### Fluency

1. Find  $\frac{1}{7}$  of 42

$$42 \div 7 = 6$$

$$\frac{1}{7} \text{ of } 42 \text{ is } 6$$

Use this method to find

a)  $\frac{1}{2}$  of 12 =      b)  $\frac{1}{3}$  of 12 =      c)  $\frac{1}{4}$  of 12 =

d)  $\frac{1}{5}$  of 15 =      e)  $\frac{1}{6}$  of 36 =      f)  $\frac{1}{3}$  of 33 =

### Reasoning

2. 14

Find the missing fraction:

of 14 = 2

3.

True or False?

To find  $\frac{3}{8}$  of a number, divide by 3 and multiply by 8

Convince me

## Problem Solving

4. Jenny is sorting her teddy bears. She gives  $\frac{1}{3}$  of them to her sister.

How many does she have left?

5. Look at Sam's counters.

His answer is 5.

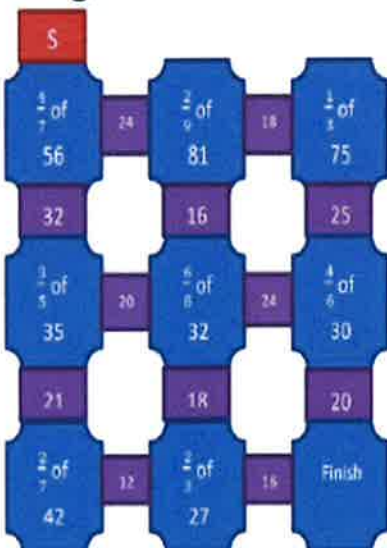

Complete the number sentence to show what fraction of an amount he has worked out.

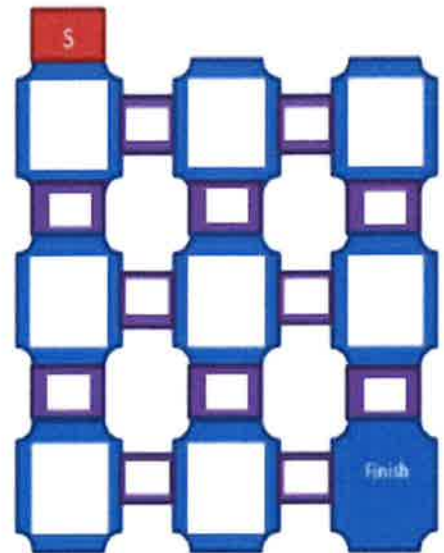

of  = 5

## Challenge:

Work out the answer to each question to make it through the maze.

Can you create your own version?

## Sequence Champions PE Home Learning

### Time to Learn:

- Use a dice to create a movement sequence.
- You are going to add three movements together. Roll the dice three times to see which three movements you will need to perform:

**Roll a 1** – A star jump

**Roll a 2** – A roll

**Roll a 3** – A turn

**Roll a 4** – A twist

**Roll a 5** – A tuck jump

**Roll a 6** – A balance

- Think of creative ways to link the movements.

### Top Tips

#### Link your movements

- When you finish your first movement try and move into the next movement smoothly without pausing.

## Pandora's Box...

Once upon a time, a long time ago, there were two brothers named Epimetheus and Prometheus. They were good gods. They had good hearts. They were good friends.

One day, Prometheus got in trouble with Zeus who was the king of the gods. Angry over something or other, Zeus had declared that mortal men did not deserve fire. Because he had a kind heart, and he knew how much man needed fire for food and warmth, Prometheus gave man the secret of fire even though Zeus had told all the gods not to do that.

Zeus was furious that his order had been ignored. As punishment, Zeus chained Prometheus to a rock for many years.

But that was not enough punishment, not for Zeus. Once Prometheus was chained to a rock, Zeus went after Prometheus' brother, the gentle, kind-hearted Epimetheus. Zeus did not chain Epimetheus to a rock. Zeus had a more sneaky punishment in mind...

First, Zeus ordered the gods' handyman, the maker of things - Hephaestus - to make Zeus a daughter. With the help of Hephaestus, Zeus sculpted a woman out of clay. The goddess Athena breathed life into the clay and the woman came to life. Aphrodite made her beautiful and Hermes taught her how to be both charming and deceitful. Zeus called her Pandora and sent her to Epimetheus, as he knew that he was lonely.

- 1) What did Prometheus do that showed he was kind?
- 2) Why was Zeus angry with Prometheus?
- 3) What did Hermes teach Pandora? Find a phrase.
- 4) Find a sentence that shows that Zeus is quite cruel. (There might be more than one)
- 5) Why do you think Zeus has really sent Pandora to Epimetheus?
- 6) What did Hephaestus use to make Pandora? Find a word.
- 7) How did Pandora become so beautiful?
- 8) Both Epimetheus and Prometheus were punished by being chained to rocks. TRUE OR FALSE?
