

WALT: Can I add two or more fractions?**Fluency**

Add up the fractions. Remember to write a mixed number fraction as well if the answer is an improper fraction.

1.  $\frac{2}{8} + \frac{3}{8} =$

5.  $\frac{5}{8} + \frac{4}{8} + \frac{5}{8} =$

6.  $\frac{3}{7} + \frac{5}{7} + \frac{4}{7} =$

2.  $\frac{4}{11} + \frac{3}{11} =$

7.  $\frac{\quad}{9} + \frac{5}{9} + \frac{7}{9} = 17\frac{\quad}{9}$

8.  $\frac{5}{8} + \frac{\quad}{8} + \frac{1}{8} = 13\frac{\quad}{8}$

Reasoning and Problem Solving

3.  $\frac{2}{9} + \frac{3}{9} + \frac{1}{9} =$

1) Jane adds  $\frac{3}{8}$  and  $\frac{9}{8}$ .

She says her answer is no an improper fraction.

4.  $\frac{7}{10} + \frac{3}{10} + \frac{2}{10} =$

# Special Festivals

## Buddhist festival: Wesak

Wesak is the most important Buddhist festival.

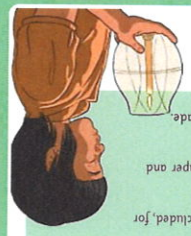

It is celebrated on the full moon in May.

The festival celebrates the Buddha's birthday.

### Differences

- Different countries celebrate Wesak in different ways.
- In China traditional Chinese celebrations are included, for example, dancing dragons.
- In Thailand special lanterns are made out of paper and wood and large birds are released from cages.
- In Indonesia special Wesak lanterns are also made.

### Celebrations

One way of celebrating Wesak is Bathing the Buddha. Water is poured over the Buddha's shoulders. This is done to remind Buddhists to make their minds clear from greed, hatred and ignorance. Gifts are also given to the Buddha statues on the altar. This is done to show respect and thanks to the Buddha for his teachings and his life.

Another way Buddhists celebrate Wesak is by cleaning and decorating their homes. They will also chant, pray and go to services and teachings at their local temple.

### Activities: Wesak Lanterns and drawing.

1) Follow the instructions (on a separate page) to make your own Wesak lantern. Use whatever you can find at home to make it as best you can. (Don't worry if it doesn't look exactly like this one!)

2) On the worksheet, it tells you to draw a picture to show the different ways Wesak can be celebrated. You do not need this sheet printed, you can just draw a picture of the celebrations. Try to think of the colours that could be used too!

### Class Quiz

# Wesak Lantern

- Supplies
- A4 coloured card
  - PVA glue
  - Scissors
  - Sequins
  - Glitter
  - Ribbon
  - Sticky tape

1. First fold the piece of card in half lengthways. Now hold the card horizontally down towards the edge of the card. Make sure that the cuts stop before the edge of the card! Also make sure to space them out so that there is around 3cm between each cut.

2. Now open the card out and lay it flat so that it is ready to decorate. You can use PVA glue to cover parts of the lantern with glitter. You can also stick on some sequins and lengths of ribbon along the bottom edge.

3. Once completely dry, bend the card around into a cylinder shape. Secure it in place using sticky tape.

4. Now make a handle for the lantern. You can use a piece of ribbon and attach it to the top of the lantern on the inside.
