Everyone would join in with his song, laughing as they remembered the earthquake tremors. A few years before Tranio was born there had been a big earthquake in Pompeii and parts of the town had still not yet been fully repaired. But nobody took **tremors** seriously anymore.

On other mornings, Tranio would shout up to Livia, the baker's daughter, who lived across the street, "Liv! Stop curling your hair and come and play **jacks!** I've got a bag of bones from mother's kitchen! They're just the right size!"

Livia spent most of her time learning to weave and cook but during the hot afternoons she and Tranio would **squat** by the fountain playing knucklebones or chase dogs down the street.

One hot August day, Dion took Tranio through a shady passage into one of Pompeii's two theatres on the edge of the city where a pantomime was being rehearsed.

"Sit on the steps, son and learn!" said Dion. "We'll be using you in small parts soon."

To begin with, Tranio enjoyed watching the sword fights and **strutting** clowns. The masked actors playing thieves and devils and the leaping acrobats quite took his breath away. But eventually his attention began to wander.....

Obstacle Course PE Home Learning

Can you keep trying to challenge yourself, getting quicker as you complete the course?

PE-Day 1

Time to Learn:

- Using objects such as tins, pillows and teddy bears, can you create your own obstacle course?
- Place the tins in a line so you have to swerve through them. Layout teddy bears so that you have to jump over them or use pillows as stepping stones.
- How long does it take you to complete the course? Can you complete the course faster than someone else?

Challenge yourself!
Start with a shorter course and extend it as you get faster!

Time yourself against someone!
Have five goes each. Who will be the quickest?

Race against other family members!
Who is the quickest in your family?

Top Tips

Use your space

- Spread the course out in your garden or somewhere indoors with more space.

Let's Reflect

What was the hardest course you created?
Can you explain why?

How did you feel when you beat your fastest time?
