Task 2 - Choose one of the pictures below. Write a conversation between the frogs. Remember to think about the punctuation which goes before the 99 and to start a new line for each speaker. Below are some ideas of how you might start each conversation but I haven't put the inverted commas in. There are also some alternatives to said too.

Smile, say cheese!

Did you get the shot?

Should I do a pose?

You look fabulous!

So, where are you going on holiday?

I can't wait to sit on the beach in the sun!

I hope my suitcase doesn't weigh too much!
