

Situation	What should the person do?
Someone starts to ruin your game or tries to kill off your character over and over again.	
Someone sends you a message saying no one wants to be your friend because you speak with a weird accent and wear funny clothes.	
You see a message on a game saying, "You're just a girl: of course you're rubbish at this game!"	
You are in a group chat and your friend is being mean to somebody else and removes them from the chat.	
You put a picture of yourself up as your profile picture and people make mean comments about your appearance.
