

Fronted Adverbial

An **adverbial** placed at the beginning of a **sentence**, before a **comma**.

Re-write these sentences using a Fronted Adverbial:

The man had his memories removed **from behind**.

The robot surrounded the heroes **in the park**.

The villain was hiding **behind the boxes**.

The villain was tied-up **using a steel pole**.

Now add in your own Fronted Adverbials:

_____ the man lost his ray-
gun.

_____ the man ate his nuclear lunch.

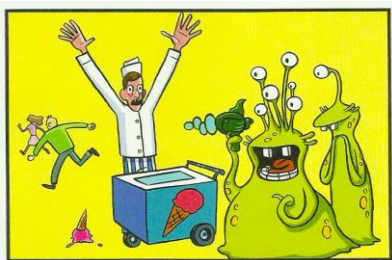

_____ the man could barely breathe.

_____ the scooter travelled quickly.

_____ the villain demonstrated his plan.

_____ the aliens stole the ice-cream.
