

Remember there are daily activities and lessons on BBC Bitesize, Purple Mash and Oak National Academy. Check out their websites if you want any extra lessons and activities.

Literacy

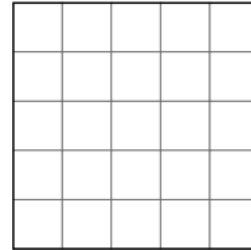

Read for 30 minutes on 'Epic!' Choose a book you haven't read before or read a book that you have been assigned by your teacher. Maybe try reading a different type of book today. Have you tried a joke book yet?!

Numeracy

Perimeter

Find the perimeter of the rectilinear shapes. Remember to count the squares along each side to find the perimeter. Complete the sheet in the Home learning section on the school website.

Other

PE

Have a go at a yoga video. Listen to the story too! Choose one of the videos below to follow.

Story Writing

Using this picture, write a story to explain what is happening. Think about the adjectives and sentences starters you can use. Can you include some expanded noun phrases?

Here is a sentence to get you started...
On the surface, everything looked ordinary.

OR...

Answer these questions.

1. Who is the boy and why do you think he is bored?
2. What do you think he has with him in the boat?
3. What do you think his family are like?
4. Where do you think their home is?
5. Who do you think lives in the city under the ground?
6. Why do you think the boy has never seen the people who live there before?
7. Why do they live underground?
8. Is there anything peculiar about the sea or the tree that is next to it?
9. What do you think is about to happen to the boy?

Column Addition

Using the column method for addition, work out the answer to the questions below. There is a sheet on website to remind you what to do.

1. $532 + 452 =$
2. $783 + 123 =$
3. $216 + 478 =$
4. $6753 + 4532 =$
5. $7823 + 132 =$
6. $3246 + 8497 =$
7. $5672 + 3923 =$
8. $7635 + 5784 =$
9. $8767 + 2368 =$
10. $5235 + 3478 =$
