

<https://summerreadingchallenge.org.uk/>

This is a link to the summer reading challenge that usually takes place at the Libraries over the summer. You can still take part in the challenge from home, using books that you already have. Although our free use of Epic books is now limited you still get 2hrs a week of reading time on Epic over the summer so you can combine the 2 to complete the challenge. There are also fun activities for you to do as well.
