

# Emma's Puppy Problem

11 As soon as she turned eight years old, Emma knew that  
21 she was old enough for the responsibility of looking after  
33 a puppy. She had even promised to start doing all of the  
46 things you would do with a dog to prove to her boring dad  
58 that she could. Emma knew she had to go on long walks  
70 twice a day, although she did not get out of bed before  
80 midday. She watered the plants in the house every day  
89 to prove that she could keep something alive, although  
100 she watered them a bit too much. Emma also knew one  
110 thing for certain: she would not be picking up anything  
122 that the dog left in the back garden. Not once. Not ever.  
127 That was her dad's job.
