

Leicester-Shire Schools
Music Service

Hi Everyone, hope you are well and keeping yourself safe and busy during these difficult times. I just wanted to post some useful links you can use whilst at home to have a little refresher and practice of your Djembe rhythms. Please let your parents and schools know how you are getting on practicing along with me in these videos, I would love to hear all about it!

If you want to see some amazing master drummers, orchestras using vegetables for instruments, or how to make music using ice and everyday sounds-why not go and check out some of the general music videos over here too- <https://leicestershiremusicshub.org/general-djembe-resources>

Follow this link to get through to the rhythm pages- <https://leicestershiremusicshub.org/djembe-resources>

You can use these passwords to see all the videos and resources to practice with-

Djole- temine

Sabar- senegal

Tiriba- landuma

Toro- wassamba

Fura- guineaboy

Yankadi- slowdance

Kadan- dunumba

Kuku- fishing

I hope you and your families are doing well and look forward to drumming with you again soon!

Mr E
