

Autumn 2 Homework project

Nursery

This term we will be learning:

- about different celebrations - Diwali, Halloween, Bonfire Night, Remembrance Sunday and Christmas.
- to build and write our name.
- to sort objects into different groups and the numbers 1 & 2.

Please bring your homework into school throughout the term as you complete it - we would love to celebrate your amazing work and fill up our board!!

Build your name with the individual letters

Using the individual letter cards, practise putting them together to build your name.

Writing your name

Trace over your name that an adult has written and then write it yourself underneath.

Counting

Count as far as you can out loud. You could count your stairs or put your teddies in a line and count them.

Put your toys into different groups e.g. cars and not cars, bricks and not bricks.

Singing

Sing lots of different nursery rhymes and songs and tap or clap along to them.

Phonics Activity

Each week a phonics activity will be sent home for the children to complete.

Here are some ideas of the fun things you could make - take a look!

**You might have
some of your own ideas too! 😊**

You can email your homework across too using the email below
orange@scraftoftvalley.leicester.sch.uk
yellow@scraftoftvalley.leicester.sch.uk

Diwali

Halloween

Bonfire Night

Remembrance Day

Christmas

Daily tasks that you can do with your child include :-

- Reading and sharing books and logging it on the Learning with Parents app 😊
- Practising recognising and writing their name 😊
- Singing Nursery Rhymes and songs - can you make up your own too! 😊
