

Homework Project - Autumn 1

Nursery

This term we will be learning about:

Ourselves and our families

School rules and expectations

Recognising our name

Saying number names in order

Colours - labelling different colours & sorting colours

Here is a selection of different activities for you to complete with your child based on what we will be learning about in school. How many can you complete?

Please hand in or email us your homework. We love to see it and share it with the class 😊

orange@scraftoftvalley.leicester.sch.uk

yellow@scraftoftvalley.leicester.sch.uk

Ourselves

Bring in your favourite book to share at story time. Why do you love it?

Create your poster about you if you haven't already. Add pictures of your favourite things and your family.

Ask an adult to write your name and have a go at writing over it in different colours.

Names

Practise recognising your name every day. Think carefully what the first letter looks like.

Play 'match me'. Ask an adult to write your name and other members of your family to play matching pairs - can you match your name?

Can you sort objects into different colours? You could sort socks, toys, building bricks etc.

Maths

Practise counting and saying the number names in order? Sing songs like 1,2,3,4,5 to help you!

Daily tasks that you can do with your child include :-

Reading and sharing books 😊

Practising recognising their name 😊

Singing Nursery Rhymes 😊
