eye-catching!

**My Friends**

I have lots of friends in school.

My friends are \_\_\_\_\_ and \_\_\_\_\_

We like to \_\_\_\_\_ together.

**Finger painting!**

Fold a piece of paper in half and open it out again.  
Use your fingers to paint only **half** of the penguin  
then fold the paper together again to see it reflect

one?

What other animals can you make?

**The Lazy cat muscle stretch!**

Let's try and help our muscles release of all their  
tension by being a lazy cat!

Pretend you have just woken up from a nap.  
Have a big YAWN  
and a meooooow!  
Now, get onto your knees and stretch out your  
arms, legs and back - slowly like a cat - and relax.  
Well done!

Creative

Can you make a Glitter Jar?

First, find a clear, empty jar or a clear plastic bottle.

Next, Decorate this however you like.

After that, fill the bottle up half way with water.

You can also add clear glue, food colouring and glitter.

Finally, seal the lid and it is ready to shake!

Where would you love to go?

Draw a picture using any colours/felt tips/chalk of where you would love to go. It can be anywhere you like!

Here's an example:

I would love to be on a beach, watching the sunset!  
I drew this one with chalk and blended it with my fingers!
