

Year 3: Day 4 Week 7 (Week commencing 22nd February)

Literacy

WALT: Can I write my own character description?

Log onto **Microsoft Teams** and open the Literacy **Stream** for Day 4. Or click on the link: <https://web.microsoftstream.com/video/e9a8cad1-1d98-4019-8496-363b19ae368f>

Listen carefully to the stream and complete the mini tasks when you're asked to pause.

Task: Can you write a character description for your superhero using everything you have learnt?

_____ is	Who?
	Appearance
	face,
	body
	clothing,
	shoes
	Quality
	What shows this?

Numeracy

WALT: Can I understand what makes up a centimetre?

Log onto **Microsoft Teams** and complete the **PowerPoint** that has been assigned to you 'Day 4 Week 7 Numeracy'. When you have done that you can complete the worksheet in your pack or that is on Day 4 of Week 7 or from the school website.

Don't forget to take pictures of your work and email them to your class email address!

WALT: Can I understand what makes up a centimetre?

Reasoning and Problem Solving

1. Louise is thinking of a measurement that has been covered by the splat. Use her clues to work out which measurement she is thinking of.

2. Can you work out what each symbol represents?

1. Fill in the blanks.

0 mm 1 mm 2 mm
0 cm 1 cm 2 cm

a = ___ cm ___ mm
b = ___ cm ___ mm
c = ___ cm ___ mm
d = ___ cm ___ mm

2. Complete the part-whole models.

45mm mm
37mm mm
4 cm mm
7mm mm
5cm mm

15 m 69 cm
★ ★ ★ ▲ ▲ ● ●

★ = metres
▲ = a multiple of 10 in centimetres
● = a single digit in centimetres

If you need help with your home learning ask an adult. Or an adult can email class7@scraftoftvalley.leicester.sch.uk or class8@scraftoftvalley.leicester.sch.uk to ask about home learning if needed.

Non-core
Well-being

WALT: Can I explore the different ways that individuals can express themselves?

Log onto **Microsoft Teams** and open the **Well-being PowerPoint** that has been assigned to you.

Go through the PowerPoint. Think about how others express themselves and how could **YOU** express yourself?

Task 1: Think about the questions below:

In this moment of quiet, think about:

what makes you who you are and all the things you enjoy;

the ways in which you can express your personality, thoughts and feelings to others;

how you can learn about others when they express themselves to you and how we can all celebrate our individuality.

Task 2: Complete the word search assigned to you with the PowerPoint.

Handwriting/Guided Reading/Times Tables

Reading

Read your book for 15 minutes at some point in the day. This might be your reading book from school or another one you have at home. There are also some great audio stories that you can listen to, just follow this link! <https://www.bbc.co.uk/teach/school-radio/audio-stories/zh3t2sq>

Handwriting

Complete one of the handwriting sheets. Remember to make the letters clear.

Guided reading - Inference

Have a look at the picture below and answer the questions in your book.

My Favourite Subject

I love science because we do great experiments, like launching parachutes and making electrical circuits. When I get home I'm going to have another go at making a space rocket powered by balloons. I hate running out of time in experiments, but if I have tea early, it should be ok.

Has the child run out of time in experiments before?
Is the child worried about something?

twinkl.co.uk

Times tables

Complete one of the times tables sheets. Which challenge will you choose today? How fast can you complete them?!
