

Year 1 home learning

In this pack we have provided a set of activities which are similar to a school day. We have suggested a length of time for each activity. Please feel free to spend more or less time on each activity to suit you and your child. We are available to contact should you have any questions via info@scraptoftvalley.leicester.sch.uk or you can call the school office on 0116 24134444 where somebody will be able to help you. Please email photographs of completed work to your teacher via the class emails -

Mrs Cunliffe - class3@scraptoftvalley.leicester.sch.uk or Mrs Bradley - class4@scraptoftvalley.leicester.sch.uk

Day 1

30 mins	Get active / wake up shake up Everyone morning we are going to do some exercise to wake up our bodies and brain ready for learning! Log into your Microsoft Teams account and use the Sway document called Wake up shake up. All of the videos for the week on in here so you can choose which one you want to do!
10 mins	Handwriting Complete the handwriting sheet in your pack for Day 1.
40 mins	Maths In Maths today you are going to be revising some of the things that you have already learnt. You will be practising adding and subtracting but be careful they have been jumbled up. Look carefully at each number sentence to work out if you are adding or subtracting. Log into your Microsoft Teams to watch the lesson on a stream. If you are unable to access Teams for any reason, you can copy these calculations into your book. $17 - 2 =$ $14 + 6 =$ $16 + 3 =$ $13 + 5 =$ $20 - 9 =$ $12 - 4 =$ Challenge: Can you put the number sentences in order from the largest total to the smallest?
Break	
20 mins	Phonics Log into your Microsoft Teams account to find todays Phonics lesson - adjacent consonants - 'b,r'. This can be found in the chat or in files.
30 mins	Literacy This week we will be exploring a non-fiction book about animals. Logon to Microsoft Teams to access the Stream - Literacy Lesson Day 1. A copy of the parts of the book we are reading is in the pack and a copy of the PowerPoint about non-fiction texts.
Lunch	
15 mins	Reading Listen to the story -'The Gruffalo' in the Sway - Reading - Week 5. Can you remember the beginning, the middle and the end of the story? Look at the pictures in your pack. You are going to sequence the pictures. Cut them out and stick them in the correct order.
15 mins	Wellbeing Log onto your Microsoft Teams and look at the first activity on the Sway Spring 1 - Week 5 - Wellbeing.
30 mins	Science We are going to continue to learn about animals in Science this week and you have a special job to do. We are thinking about pets and how to look after them. Have a look at the information in your pack from the PDSA about looking after pets. Fill in the sheet with pictures to show what Dooby the dog needs to be healthy and happy. Challenge can you design a poster about how to look after a pet? You can draw a poster in you book or log into you Purple Mash account.
Break	
10 mins	Mental Health Week This week we are celebrating 'Children's Mental Health Week' and the theme is 'Express Yourself'. Please look at the Sway and choose some activities that you think you might enjoy or that you have not tired before!
15 mins	Storytime Logon to your Microsoft Teams account and listen to today's story.

Letter Tracing Worksheet

Trace the letters below.

Shape Tracing Worksheet

Trace the shapes below.

Challenge

Draw a picture
to represent:

$$5 + 4$$

+ 5 points

Challenge

Draw a picture
to represent:

$$3 + 5$$

+ 5 points

Challenge

Write an addition fact
that equals 20.

$$\square + \square = 20$$

+ 6 points

Challenge

Write a subtraction fact
that equals 10.

$$\square - \square = 10$$

+ 6 points

Challenge

Spot the TRUE fact.

$$10 + 5 = 45 \quad 7 + 2 = 9$$
$$12 - 2 = 11 \quad 8 - 5 = 4$$

+ 7 points

Challenge

Spot the TRUE fact.

$$4 + 5 = 10 \quad 6 + 2 = 9$$
$$20 - 15 = 5 \quad 13 - 5 = 7$$

+ 7 points

Challenge

Which of these facts has the
greatest answer?

$$5 + 5 \quad 10 + 2$$

+ 8 points

Challenge

Which of these facts has the
greatest answer?

$$8 + 2 \quad 15 - 4$$

+ 8 points

Fiction vs Non-Fiction What's the Difference?

Fiction Books contain made up stories.

Non-Fiction Books contain true facts and information.

Features of a Fiction Book

"Fiction" books are filled with made up stories, created from the imagination of the author. They are not real and sometimes they even include talking animals! Fiction books will usually include these features:

- Not real
- Tells a story
- Characters and setting
- Illustrations
- Problem and solution
- Should be read in order

Examples of Fiction

There are many different kinds of fiction books and texts. These are just some of the different examples:

- Fairy Tales and Nursery Rhymes
- Picture Story Books
- Chapter Books
- Novels

Can You Think of Any Other Types of Fiction Texts?

Remember, it doesn't have to be a book! Twist and turn to the person next to you to discuss.

Features of a Non-Fiction Book

"Non-fiction" books are based in fact, they give the reader information and help us to learn more about different things. Non-fiction books will usually contain these features:

- Real facts
- Gives information
- Contents page
- Glossary
- Index
- Headings and sub-headings
- Diagrams with labels
- Photographs

Fun Fact: Did you know that non-fiction books do not need to be read in order?

Schools pdsa
for pets in need of vets

What do pets need?

The five things all animals need are:

-  The right environment to live in,
-  A suitable diet.
-  The right companionship.
-  To show normal behaviour.
-  To be protected from pain, suffering, injury and disease.

Schools pdsa
for pets in need of vets

The right companionship

- Pets need the right sort of company.
- Some pets might prefer to live on their own.
 - Some pets need company, for example rabbits shouldn't be kept on their own as they need friends.
- When choosing your pets, think carefully about whether you can provide the right company for your pet.

Schools pdsa
for pets in need of vets

The right to a suitable environment

- This means that animals need the right home for their needs, for example you couldn't have a cat living in a fish tank.
- Different pets need different amounts of space and places to live.
- When choosing a pet you need to think about the sort of home it needs and what home you can provide.
- If you do not have a garden then a big dog that needs lots of exercise would not be the right pet for you!

Schools pdsa
for pets in need of vets

To show natural behaviour

- All animals need to show their natural behaviour.
 - Cats are natural hunters, your cat shows this behaviour by playing with toys.
 - Dogs need lots of exercise. If you have a dog you need to walk your dog at least twice a day. Remember different dogs need different amounts of exercise.
 - Rabbits like to dig, give them a plant pot filled with potting compost for them to dig in.

Schools pdsa
for pets in need of vets

A suitable diet

- Different pets need different food.
- Cats are carnivores, they need meat in their diet.
- Rabbits need a special diet because their teeth never stop growing. To keep their teeth at a healthy length they need to eat lots of hay as well as rabbit food and vegetables.
- **WARNING: DO not feed your dog chocolate.** Chocolate is poisonous to dogs. Grapes and raisins are also poisonous.

Schools pdsa
for pets in need of vets

To be free from pain, suffering, injury and disease

- Sometimes pets get sick, that's when we take them to the vets.
- To make sure your pet stays healthy it is important that they get regular check ups at the vets.
- Cats, dogs and rabbits should all have vaccinations, to make sure they don't catch any nasty diseases.
- You should also make sure that your pet gets worm and flea treatments.

A new dog

BLUE FOR
PETS
CROSS

In each circle, draw an item that you would need to buy for Dooby the dog to help keep him happy and healthy.

Seven empty circles are arranged on the page for drawing items to buy for the dog. The circles are arranged in a roughly circular pattern: one at the top left, one in the middle left, one in the middle center, one at the top right, one in the middle right, one at the bottom center, and one at the bottom right.

Parts of a Rabbit

Cut and stick the parts of a rabbit to complete the diagram.

tail	nose	eye	fur
mouth	ear	hind leg	

Parts of a Common Goldfish

Use the words below to label the parts of the goldfish. Cut and stick the correct description in each box.

The diagram shows a goldfish with several lines pointing to different parts of its body. Each line leads to a rectangular box divided into two horizontal sections for labeling. The boxes are located at the top, bottom, and sides of the fish.

dorsal fin tail gill covers eye head mouth

<p>Their eyes are very large so they can see well through water. They can see more colours than humans.</p>	<p>The dorsal fin helps the goldfish swim steadily, and stops it from rolling over in the water.</p>	<p>The goldfish's head doesn't have any scales.</p>
<p>The goldfish uses its tail fin to swim forwards, and to change direction while swimming.</p>	<p>Goldfish don't have teeth inside their mouths! Instead, they are in their throat and they use them to crush food.</p>	<p>Goldfish breathe oxygen through their gills. The gill covers protect the gills.</p>

Day 3	
30 mins	<p>Get active / wake up shake up</p> <p>Everyone morning we are going to do some exercise to wake up our bodies and brain ready for learning! Log into your Microsoft Teams account and use the Sway document called Wake up shake up. All of the videos for the week on in here so you can choose which one you want to do!</p>
10 mins	<p>Handwriting</p> <p>Complete handwriting sheet Day 3.</p>
40 mins	<p>Maths</p> <p>Today we are going to be finding one more and one less than numbers within 50. We have practised this before so these activities are to help you get quicker at saying one more and one less than a number. To start with you are going to build one more or one less than a number using the link below.</p> <p>https://www.coolmath4kids.com/manipulatives/base-ten-blocks</p> <p>Use the tens and one to make one more and one less than the numbers below.</p> <p>25 46 34 28 49 40 50 31</p> <p>Now play the one more and one less card game found in your pack. You can view this sheet on the website or on Microsoft Teams. If you cannot print the sheet write the numbers on pieces of paper instead.</p>
Break	
20 mins	<p>Phonics</p> <p>Log into your Microsoft Teams account to find todays Phonics lesson - adjacent consonants. This can be found in the chat or in files.</p>
30 mins	<p>Literacy</p> <p>You are going to write some facts about animals today. Log into Teams to watch the lesson - Literacy Day 3 Week 5. Choose one animal to draw and write about onto the template in your pack. Remember to include the features of a non-fiction text in your writing. These are shown on your template. You will need a heading, a picture, labels and a caption.</p>
Lunch	
15 mins	<p>Reading</p> <p>Find something to read at home today. This could be anything! You could read a school book, your favourite book at home, a recipe, instructions in a game, a comic, an advert even packaging on some food items in your cupboard. What sight words can you see?</p> <p>Challenge: Find the reading comprehension sheet in your pack labelled Day 3. Try to read the information and answer the questions.</p>
15 mins	<p>Wellbeing</p> <p>Log onto your Microsoft Teams and look at the third activity on the Sway Spring 1 - Week 5 - Wellbeing.</p>
30 mins	<p>PE</p> <p>Log into your Microsoft Teams and complete the Sway PE - Spring 1 - Week 5.</p>
Break	
10 mins	<p>Mental Health Week</p> <p>This week we are celebrating 'Children's Mental Health Week' and the theme is 'Express Yourself'. Please look at the Sway and choose some activities that you think you might enjoy or that you have not tired before!</p>
15 mins	<p>Storytime</p> <p>Login into your Microsoft Teams account and listen to today's story.</p>

Letter Tracing Worksheet

Trace the letters below.

One More and One Less Card Game

Instructions

1. Cut out the digit cards, shuffle them and spread them out face down.
2. On your go, turn over two cards. If the numbers are 1 more or 1 less than each other keep them. If not turn them back over.
3. The player with the most pairs at the end is the winner.

Taking Care of a Dog

Having a dog is really fun because they love to play and go for long walks. You can teach them tricks and get them to fetch balls.

What does a dog look like?

What does a dog need?

food bowl

water bowl

bed

toys

lead

What is a baby dog called?

Baby dogs are called puppies. Dogs give birth to lots of puppies in what is called a litter. When they are born, they are looked after by their mummy, who gives them milk to drink.

How do I keep my dog healthy?

Dogs need to run and play to stay healthy. They also need to go for walks every day and eat the right foods.

Remember!

Owning and caring for a dog is a big responsibility.

Questions

1. Which body part does a dog not have?

feather

fur

paws

2. What do dogs eat when they are born?

milk

biscuits

food

3. What do you call a group of puppies when they are born?

a pack

a herd

a litter

4. How often should dogs go for walks?

every two days

every day

every week

5. Find and copy one word that means 'get'.

Day 4	
30 mins	<p align="center">Get active / wake up shake up</p> <p>Everyone morning we are going to do some exercise to wake up our bodies and brain ready for learning! Log into your Microsoft Teams account and use the Sway document called Wake up shake up. All of the videos for the week on in here so you can choose which one you want to do!</p>
10 mins	<p align="center">Handwriting</p> <p align="center">Complete the handwriting sheet for Day 4.</p>
40 mins	<p align="center">Maths</p> <p>In Maths today you will be comparing amounts. This is similar to some of the work you have already completed using the symbols $<$ $>$ and $=$. The amounts you will be comparing today are larger amounts, so take care to count them accurately before you compare them. Complete the sheet in your pack.</p>
Break	
20 mins	<p align="center">Phonics</p> <p>Log into your Microsoft Teams account to find todays Phonics lesson - adjacent consonants. This can be found in the chat or in files.</p>
30 mins	<p align="center">Literacy</p> <p>You are going to continue to write some facts about animals today. Choose a different animal to draw and write about onto the template in your pack. Remember to include the features of a non-fiction text in your writing. These are shown on your template. You will need a heading, a picture, labels and a caption.</p>
Lunch	
15 mins	<p align="center">Reading</p> <p>Have a look at the 'what's in the box sheet'. Use your sounds to carefully read each of the words which describe what animal is in the box. Circle the correct animal. Don't forget to spend 10 minutes reading to an adult. Once you have finished, ask them to sign your Reading Superstars sheet. Remember, when you have filled in your entire sheet you will be able to choose a prize when back at school!</p>
15 mins	<p align="center">Wellbeing</p> <p>Log onto your Microsoft Teams and look at the fourth activity on the Sway Spring 1 - Week 5 - Wellbeing.</p>
30 mins	<p align="center">Science</p> <p>You are going to have a look at the pictures of different animals in your pack. Which animals would be suitable to keep as pets? Can you sort these pictures into three piles - Yes, No and Maybe? Challenge - tell someone in your house about your choices.</p>
Break	
10 mins	<p align="center">Mental Health Week</p> <p>This week we are celebrating 'Children's Mental Health Week' and the theme is 'Express Yourself'. Please look at the Sway and choose some activities that you think you might enjoy or that you have not tried before!</p>
15 mins	<p align="center">Storytime</p> <p>Login to you Microsoft Teams account and listen to the daily story.</p>
